The attached list is forwarded as a result of our discussions on the forthcoming IGV meetings in Stockholm.

The list of Soviet papers was received as a result of an agreement between the U.S. National Committee for the IGV and the National Committee of Soviet Geographers to exchange lists of papers to be presented at the IGV in Stockholm. Gernsey, Secretary of the Russian committee forwarded the list.

It is our understanding that all of the Russians on the list will not attend the meetings, but the papers will be presented. The latest word indicates that about 45 Russians will be present at the IGV.

Sincerely,
